Statewide Capital Projects Initiative

Keely Winiger, Executive Director of the United Way of Posey County, announced a statewide capital projects initiative is available through United Way of Posey County and supported by Lilly Endowment Inc. for nonprofits delivering essential health and human services to Posey County residents.

The Statewide Capital Projects Initiative (SCPI) is a five-year initiative that will infuse capital funds into real estate spaces for Indiana counties. The purpose of this initiative is to increase the availability and quality of essential health and human services. Supported by Lilly Endowment Inc., the Statewide Capital Projects Initiative will distribute \$80 million in the form of matching capital grants for these real estate needs.

This initiative provides matching grants of no more than 50% of the total budget for the capital project. All funded projects must demonstrate a 100% match. Nonprofits directly delivering essential health and human services that have construction and renovation needs are encouraged to reach out to the United Way of Posey County office and submit an inquiry form during the early stages of capital project development to discuss the requirements of the initiative and determine whether a project addressing those needs may be eligible for funding.

For more information call the United Way of Posey County office at (812)838-3637. To apply fill out the Inquiry Form (found at the UWPC website at [www.unitedwayposeycounty.org](http://www.unitedwayposeycounty.org)) and email to: [unitedwayposey@gmail.com](mailto:unitedwayposey@gmail.com) or mail to: 215 S. Kimball Street, Mt. Vernon, IN 47620.

*Our Mission . . . The United Way of Posey County will provide visionary leadership to assess community needs, mobilize resources, and direct those resources toward services which enhance quality of life for people living in Posey County*
